Teaching and Learning Bundle
Learn More Together

Onsite Blackboard Training

Program Overview

Learn More Together provides a way to train faculty in a flexible way and budget training dollars in advance. The onsite training provides two certification training programs as well as an instructor training camp to address targeted training topics. Together, the package offers an institution an opportunity to increase adoption significantly and improve course quality.

What's Included

Learn More Together

- 2 Course Delivery Certification and Exemplary Course Design Workshops (5 days each)

  2 Workshops - Course Delivery Essentials (with Certification) (3 days)

  In this hands-on workshop, participants will learn how all of the features and functions of course building, assessment, and communication tools in Blackboard Learn™. At the end of the workshop, participants will take a 1-hour practical exam to demonstrate their ability to build a basic course using Blackboard Learn™. Training sessions are limited to 15 participants.

  2 Workshops - Designing Exemplary Courses (2 days)

  In this workshop, participants examine the elements of a quality course as outlined in the Blackboard Exemplary Course rubric (or another course standard rubric) to identify ways that their course might be improved. Participants will have opportunities to modify their existing course (or develop a new course) using the standard and showcase their course for review. Training sessions are limited to 15 participants.

- 1 Instructor Training Camp (3 days)

  1 Workshop - Using Blackboard to Enhance Teaching and Learning (select 6 modules)

  This workshop consists of ten separate 3-hour modules which can be selected from to create an instructor training camp. The institution can offer the same module multiple times, or offer six different modules. Training sessions are limited to 15 participants, but different instructors can attend each module.

Who Should Attend

Instructors, faculty, course designers, administrators, and support staff who will be teaching or supporting blended or fully online courses using:

- Blackboard Learn™ - Course Delivery module (Release 9.1x)

Scheduling

Training events will be scheduled with the consulting project manager after the contract and purchase order have been processed. Clients have up to one year to schedule the training.
