

Blackboard Learn™ for Course Delivery

Teaching & Learning What's New in SP14 to April 2014

Blackboard Self-Paced Online Training

Overview

The **Teaching & Learning What's New** training course is designed to get you up to date on the new features and enhancements in Blackboard Learn™ 9.1 Course Delivery from an instructor perspective. The course covers the latest features in Service Packs 14 to April 2014 by providing an overview of each new tool along with videos demonstrating functionality and tip sheets. At the end of each module, an assessment allows you to check your knowledge. In addition to the course content, you will have access to a practice course in order to try out some of the new tools.

Workshop Topics:

- *Building & Designing Courses*
 - Student Preview – April 2014
 - Date Management - SP14
 - xpLor - SP14
- *Communications & Online Communities*
 - Portfolios – April 2014
 - Groups - SP14
 - Course Messages - SP14
- *Assessing & Monitoring Students*
 - Anonymous & Delegated Grading – April 2014
 - SafeAssign Integrated with Assignment Tool – April 2014
 - Significant Figures in Calculated Formula Test Questions – April 2014
 - Achievements (Badges) - SP14
 - Grade Center Enhancements SP14
 - Inline Grading - SP14
 - Test IP Filtering - SP14

Who Should Attend

Instructors, faculty, course designers, administrators, and support staff using Blackboard Learn™ - Course Delivery (Release 9.1.x)

Blackboard Learn™ for Course Delivery

Teaching & Learning What's New in SP14 to April 2014

Blackboard Self-Paced Online Training

This course is designed for two groups of people:

- Those who have completed both [Blackboard Teaching & Learning Certifications](#).
- Experienced users who have a strong background in using Blackboard Learn Course Delivery.

Note: This course is not designed for those new to Blackboard Learn Course Delivery, nor is it a substitute for courses in the Teaching & Learning Certification Series.

Duration and Costs

Course will be available to participants for 4 weeks from registration

- Participants should expect to spend approximately 3 – 4 hours to complete the course activities.
- Printed or online materials do not need to be purchased for this course.
- \$250 USD

Location

- Fully online / asynchronous / self-paced

Prerequisites

- Newer versions of Internet Explorer, Firefox, Safari, or Chrome Browsers.
- Email and high speed Internet access
- Basic computer navigation and web browsing skills
- Blackboard Teaching and Learning Online Certification & Teaching and Learning Advanced Online Certification or extensive experience with Blackboard Learn previous versions

Certification

Upon successful completion of the course with a score of 80% or higher on all three assessments, participants will receive a PDF certificate via email showing completion of this course.
