

Blackboard
Accessibility Grant

Ensuring that the world's most used platform for teaching and learning is accessible to all users is a critical part of Blackboard's mission to transform the experience of education. Read more about the Blackboard Accessibility Grant and components of a successful submission at www.blackboard.com/accessibilitygrant.

Applications must be submitted by December 31, 2010. Grants will be awarded by April 1, 2011. Submit this proposal to clientprograms@blackboard.com, with the subject "Blackboard Accessibility Grant."

About You

Name: _____
Institution: _____
Title: _____
Email: _____
Telephone: _____

What experience do you have in understanding the needs of students with disabilities?

Your Proposal

Please provide a description of your proposed project that would be funded by the Blackboard Accessibility Grant. Please describe the purpose of the project, how students with disabilities will benefit, how they will be included, how the project outcomes will benefit a broad audience, and the expected timeline.
