

Cashnet® eRefund

It's as easy as 1-2-3:

- 1 Students log in to the Cashnet platform.
- 2 Students enter their account information to release funds.
- 3 Students receive a disbursement notification via email and/or text when funds are available.

Make disbursing refunds effortless

Releasing your students' financial aid and general funds just got fast and easy.

Benefits for your staff

Securely provides electronic processing for financial aid refunds.

Helps administrative costs and the need for paper checks.

Allows your business office to keep track of students who have opted in to receive electronic refund disbursements.

Provides seamless integration with your ERP system.

Key features for students

Facilitates easy fund disbursement to a student's designated bank account

Provides online enrollment to expedite receiving funds as a direct deposit

Sends automatic disbursement notifications via email and/or text
